

The Foundation Stones Project

Durham Outlook needs a new home, but we can't create one without the help of the community.

Founded in 1990, Durham Outlook operates the only 365-days-a-year soup kitchen, serving the most vulnerable members of Durham Region.

Across the spectrum, many of our patrons may suffer from mental health or addiction issues, be unemployed or under-employed, live on disability pensions, limited incomes and more. As our city grows in size and diversity, the number of people living in these conditions grow along with it.

This is where you come in.

Having outgrown our current facility both in terms of usability and size, *The Foundation Stones Project* allows individuals, businesses, and groups to donate to the building of the new facility and to be permanently recognized as a committed and charitable member of the community.

We hope that we can count on your support!

Sincerely,

The Team at Durham Outlook

CHARITABLE KITCHEN

Durham Outlook for the Needy – operating St. Vincent Pallotti's Kitchen looks to serve everyone in our community who is in need through three key areas of programming:

The Kitchen

Serves food insecure patrons a hot, healthy and nutritious meal in a dignified manner, seven days a week, 365 days a year.

The Thrift Store

Offers donated new and gently used items from clothing to household items at little or no cost to patrons and community members.

The Food Distribution Program

Supports men and women's shelters, community living spaces, food banks, and public school breakfast programs for those in need, by picking up and distributing food throughout the community on a daily basis.

Durham Outlook does not receive any government funding and has relied on the generosity of community members for monetary donations in order to continue its almost 30-year legacy.
